# Welcome from the Headteacher, Ms Gambier

Alongside the support we provide, we are relentless in our expectations and ambitions for each and every one of our students, because our students are incredible and deserve the very best life has to offer.

Our students are **proud** to be part of this community. They take pride in how they present and conduct themselves, and in the quality of work they produce. Our staff take pride in their work with students to develop them both academically and socially.

We are **respectful** of each other and our beliefs, allowing individuals to grow into their own unique self without fear of prejudice.

Students at Penrice are able to feel **successful** every day, not just through the outstanding academic results they achieve, but through small wins each time progress is made or an obstacle is overcome, knowing that being the best version of themselves is the ultimate quest and the only expectation we have.

## PE at Penrice

At Penrice, every student benefits from the wide-ranging, fully inclusive curriculum that we offer through Physical Education. Every student strives to attend an after-school sports club per week, with many attending fixtures, training or Penrice Plus Clubs every night of the week!

We encourage and facilitate opportunities for all students to play competitive sport, as we fully believe that the life values students learn on the sports field support them to win in the exam hall. We are fully committed to finding the sporting and athletic potential in every student.

The PE department works to inspire young people into leading healthy, active lifestyles. Students experience a range of physical activities that will enable them to become more competent, confident and expert in them. They will be able to apply their skills across a range of different sports and physical activities. Students develop their fitness and understanding of healthy active lifestyles and are encouraged to take part in activities out of school and in later life. Students are also encouraged to work collaboratively with their peers and to develop their communication and interpersonal skills.
